From Our Administrator

It is solidly "Fall" now and maybe at the time of this reading we will be enjoying moderate temperatures and sunny skies!

At this point in the calendar, it is time to thank the terrific staff at Laurel Square. Dietary Services for serving good food and making sure diet restrictions are followed…. Activities for keeping the residents moving and stimulated…. Social Services for supporting our residents' needs…. Maintenance for keeping equipment and the facility in good working order…. Housekeeping for making sure the facility is clean and infection free…. Laundry for keeping up with the never-ending cleaning of clothes and linens…. The Business Office for supporting the residents' financial needs…. Admissions for connecting us with great people to live in our building, both short-term and long-term…. and…. especially our residents for providing all of us with joy and pride in assisting them with their needs and requests!

Scott Carpenter, NHA
Administrator, Laurel Square Healthcare & Rehabilitation Center

Resident of the Month: Mornel Matthews

The staff and residents at Laurel Square are happy to introduce our latest Resident of the Month, Mornel Matthews. Mornel was born in Washington, DC, and moved to Philadelphia later as a child. Mornel is a woman of many hobbies and talents. She remembered a dress that she designed and constructed in Junior High School that impressed the entire class.

Mornel is also a member of the Mt. Airy Baptist Church were she sang on the choir for 30 years. Mornel later moved to Laurel Square were she remains at the hub of the social circuit. Mornel enjoys chatting with friends, attending parties and spreading good cheer to all.
